Freedom Fighter Pandit Susheel Rattan Government Degree College, Jawalamukhi, is one of the leading institutions of higher education in District Kangra. Established on 1 July 1999 as a privately managed institution named Jawalaji Degree College under the Jawalaji Shiksha Samiti, it was taken over by the Government of Himachal Pradesh on 8 June 2016. Affiliated with Himachal Pradesh University, Shimla, and recognized under Section 2(f) of the UGC Act, the college has emerged as a significant center of higher education in the region. In recognition of its academic growth and achievements, it was declared an “Institute of Excellence” by the Government of Himachal Pradesh in March 2025.

Nestled amidst the scenic surroundings of the Dhauladhar ranges and located about 2 km from the historic town of Jawalamukhi on NH-303, the college campus extends over more than 42 kanals of land. It offers modern infrastructure, including spacious classrooms, well-equipped science and arts laboratories, a central IT laboratory, ICT-enabled seminar hall, computer laboratories, Wi-Fi connectivity, a rich library, gymnasium, and facilities for both indoor and outdoor sports.

The college offers undergraduate programmes in Humanities, Science, and Commerce, along with self-financing professional courses such as BCA, BBA, and PGDCA. NATIONAL EDUCATION POLICY (NEP) 2020

The National Education Policy (NEP) 2020 is a landmark initiative aimed at transforming India's education system into one that is holistic, flexible, multidisciplinary, and learner-centric. Rooted in Indian values and traditions, the policy seeks to build an equitable, inclusive, and knowledge-based society while preparing learners to meet the challenges of the 21st century. Its vision is guided by the core principles of Access, Equity, Quality, Affordability, and Accountability.

NEP 2020 emphasizes the holistic development of students by recognizing and nurturing their unique abilities in both academic and non-academic areas. It promotes flexibility in learning pathways, allowing students to choose subjects and programmes according to their interests and career aspirations. The policy removes rigid boundaries between arts, sciences, commerce, vocational education, and extracurricular activities, encouraging multidisciplinary learning and a broader understanding of knowledge.

A major focus of the policy is on conceptual understanding, critical thinking, creativity, innovation, and problem-solving rather than rote learning. It also seeks to instil ethical values, constitutional principles, social responsibility, respect for diversity, and pride in India's rich cultural heritage. Communication skills, teamwork, resilience, and other life skills are considered essential components of education.

In higher education, NEP 2020 advocates institutional autonomy, academic excellence, quality research, international collaboration, and effective governance. It encourages the integration of technology in teaching, learning, assessment, and educational administration to improve accessibility and learning outcomes. The policy also promotes multilingualism and the use of Indian languages in education, ensuring wider participation and inclusivity.

Teachers are recognized as the cornerstone of the educational process. Therefore, continuous professional development, supportive working conditions, and empowerment of faculty members are key priorities. To implement the objectives of NEP 2020, the University Grants Commission (UGC) has introduced the Curriculum and Credit Framework for Undergraduate Programmes (CCFUP). The framework provides a Flexible Choice-Based Credit System, Multidisciplinary Education, and Multiple Entry and Exit Options, enabling students to design their own learning pathways.

Letter Grade	Grade Point	Performance
O	10	Outstanding
A+	9	Excellent
A	8	Very Good
B+	7	Good
B	6	Above Average
C	5	Average
P	4	Pass
F	0	Fail
Ab	0	Absent

SGPA and CGPA

The academic performance of students is measured through:

- **Semester Grade Point Average (SGPA)** - performance in a particular semester,
- **Cumulative Grade Point Average (CGPA)** - overall performance across all semesters.

The calculation is based on the credits earned and grade points secured in each course.
